SECTION H	References
Please give the names of two referees who can provide professional or educational references (not character). The first must be from your present or last employer/voluntary organisation, if applicable. The person you name must hold a managerial or personnel position in that organisation and have access to your records. If you do not give permission for your current employer to be contacted before interview, please provide us with an additional relevant referee to allow for two references to be available to the interviewing panel. Where you are not currently working with children or vulnerable adults but have done so in the past, you are required to nominate a referee from the organisation where you were most recently employed to work with children or vulnerable adults as one of your nominated referees. If you are recommended for appointment in these circumstances we will then seek to gain your current employer as a referee. If you are unable to provide your employer's details for reference purposes at that time your application will not be pursued further. In the event that you are not currently employed we will require details from your last employer. The referees provided will be asked if you have any live disciplinary offences and also about any 'time expired' disciplinary offences where they relate to children. They will also be asked if you have been subject to any child protection concerns, and if so, the outcome of any enquiry or disciplinary procedure. PLEASE NOTE THAT Global Social Care Services reserves the right to ask you for permission to contact a referee from any organisation you have been associated with. This can be in addition to, or instead of, the names you supply.
